Servings: 4

Ingredients

4-6 pork chops
1 can chicken broth
1 can cream of chicken soup
1 packet brown gravy mix (the original recipe called for pork gravy mix, both work well)
1 packet onion soup mix

Recipe from Thom Hackett's Recipe File at www.thomcooks.com

Cooking Method

Place your pork chops in your slow cooker.

In a medium bowl, mix the remaining ingredients and pour over chops.

Cover and cook on low for 8-10 hours, or until chops are fall-apart tender.

I always serve these with mashed potatoes, because the gravy this makes is the best part of the dish!
